MANAGEMENT'S DISCUSSION & ANALYSIS REPORT**1. INDUSTRY STRUCTURE AND DEVELOPMENTS:**

Pharmaceutical industry is one of the world's fastest growing industries, and remains one of the biggest contributors to world economy. The Indian pharma industry is on a good growth path and is likely to be in the **top 10 global markets in value term by 2020**, according to the PwC – CII report titled "India Pharma Inc: Gearing up for the next level of growth".

High burden of disease, good economic growth leading to higher disposable incomes, improvements in healthcare infrastructure and improved healthcare financing are driving growth in the domestic market, the report highlighted.

The Indian pharma industry has been growing at a compounded annual growth rate (CAGR) of more than 15% over the last five years and has significant growth opportunities. However, for the industry to sustain this robust growth rate till 2020, companies will have to rethink their business strategy. They will have to adopt new business models and think of innovative ideas to service their evolving customers faster and better.

OPPORTUNITIES AND THREATS:

Increasing number of global acquisitions have been made in the recent past by Indian companies for strategic objectives like market entry, technological or manufacturing expertise and distribution facilities. The global market continues to offer these opportunities for domestic companies looking to expand their international presence.

Though Indian Pharmaceutical market is growing at a healthy growth rate but on account of continuously price-cost squeeze, largely due to relentless increases in raw material cost, energy cost, and volatile foreign exchange are all affecting overall profitability of the company

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE:

During the year under review, the Company has recorded revenue of Rs. 4807 Lakhs and made a profit of Rs. 40.70 Lakhs against revenue of Rs. 5179 Lakhs and net profit of Rs. 32.41 Lakhs in the previous financial year 2017-18.

OUTLOOK:

The outlook for emerging market economies is expected to broadly improve, though volatility in capital flow will remain a challenge.

CONCORD DRUGS LIMITED

The pharmacy sector in India is highly regulated, yet the sector suffers from circulation of substandard and counterfeit drugs which hampers the retail segment of the business. Measures are being taken by the pharmacy regulatory bodies of the country to control the menace as it hampers the revenue earning drastically. The government is also taking major initiatives to provide medicines at subsidized rates and distribution of medicines in the rural belt.

The pharmacy retail industry in India operates predominantly in the unorganized format and is currently having approximately 20 major players operating in organized format. However, most organized players are operative regionally and are far from having a pan India presence. A variety of value added services are being incorporated by the organized players to attract a larger market share and initiatives are being taken to engage customers in brand loyalty.

RISKS AND CONCERNS:

While the industry is seeing amazing growth, there is increasing focus on associated risks such as high compliance standards, government reform and pricing pressures, expiration of key drug patents, marketing practices, mergers and acquisitions, increasing litigations, and supply chain management.

Our risk management framework is intended to ensure that risks are identified in a timely manner. We have implemented an integrated risk management framework to identify, assess, prioritize, manage/mitigate, monitor and communicate the risk across the county.

Senior management personnel meet at regular intervals to identify various risks, assess, and prioritize the risks. After due deliberations, appropriate strategies are made for managing/mitigating the risks. The company takes the help of independent professional firms to review the risk management structure and implementation of risk management policies. Audit Committee on a quarterly basis, review the adequacy and effectiveness of the risk management strategies, implementation of risk management/mitigation policies, it advises the board on matters of significant concerns for Redressal.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company maintains a system of well-established policies and procedures for internal control of operations and activities, and these are continually reviewed for effectiveness.

The internal control system is supported by qualified personnel and a continuous program of internal audit. The prime objective of such audits is to test the adequacy and effectiveness of all internal control systems laid down by the

CONCORD DRUGS LIMITED

management and to suggest improvements. We believe that the company's overall system of internal control is adequate given the size and nature of operations and effective implementation of internal control self-assessment procedures and ensure compliance to policies, plans and statutory requirements.

The internal control system of the company is also reviewed by the Audit Committee periodically. The Management duly considers and takes appropriate action on the recommendations made by the statutory auditors, internal auditors and the independent Audit Committee.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

During the year under review, the Company has recorded revenue of Rs. 4807 Lakhs and made a profit of Rs. 40.70 Lakhs against revenue of Rs. 5179 Lakhs and net profit of Rs. 32.41 Lakhs in the previous financial year 2017-18.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

During the year under review the company has taken HR initiatives to train and develop talent pool. The company has also taken up a root cause analysis on bringing down the attrition rates. In order to improve the performance of management and to scale up the business operations, the company has recruited experienced personnel at senior level apart from strengthening other departments with competent people.

2. DISCLOSURE OF ACCOUNTING TREATMENT:

The Company has not carried out any treatment different from that prescribed in Accounting Standards.

CAUTIONARY STATEMENTS:

Certain statements in the Management Discussion and Analysis describing the Company's objectives, predictions may be "forward-looking statements" within the meaning of applicable laws and regulations. Actual results may vary significantly from the forward looking statements contained in this document due to various risks and uncertainties. These risks and uncertainties include the effect of economic and political conditions in India, volatility in interest rates, new regulations and Government policies that may impact the Company's business as well as its ability to implement the strategy. The Company does not undertake to update these statements.

To The Members of Concord Drugs Limited.

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Concord Drugs Limited ("the Company"), which comprise the Balance sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "the stand alone financial statements").

In our Opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those standards are further described in the Auditors responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters:

Key audit matters are those matters that, in our opinion professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in

CONCORD DRUGS LIMITED

forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the 'Auditor's responsibilities for the audit of the standalone Ind AS financial statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Key Audit Matter	Key Audit Matter
<p>Identification and disclosures of Related Parties</p> <p>1. The Company has related party transactions which include, amongst others, sale and purchase of goods/services to its subsidiaries, associates, joint ventures and other related parties and lending and borrowing to its subsidiaries, associates and joint ventures.</p> <p>2. We focused on identification and disclosure of related parties in accordance with relevant accounting standards as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <p>1. Evaluated the design and tested the operating effectiveness of controls over identification and disclosure of related party transactions.</p> <p>2. Obtained a list of related parties from the Company's Management and traced the related parties to declarations given by directors, where applicable, and to Note 2.4 of the standalone Ind AS financial statements.</p> <p>3. Read minutes of the meetings of the Board of Directors and Audit Committee.</p> <p>4. Tested material creditors/debtors, loan outstanding/loans taken to evaluate existence of any related party relationships; tested transactions based on declarations of related party transactions given to the Board of Directors and Audit Committee.</p> <p>5. Evaluated the disclosures in the standalone Ind AS financial statements for compliance with Ind AS 24</p>

Information other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis. Board's report including Annexures to the Board's Report Business Responsibility Report, Corporate Governance and Shareholder's information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and , in doing so, consider whether the other information materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements.

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies ; making judgements and estimates that are reasonable and prudent; and design , implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and Fairview and are free from material misstatement whether due to fraud or error.

In preparing the standalone financial statements, management is

CONCORD DRUGS LIMITED

responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements.

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SA's we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a Material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(1) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such control

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

CONCORD DRUGS LIMITED

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF CONCORD DRUGS LIMITED

Report on the Internal Financial Controls under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **CONCORD DRUGS LIMITED** ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my / our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the

CONCORD DRUGS LIMITED

adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur

CONCORD DRUGS LIMITED

and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

CONCORD DRUGS LIMITED

Notes to Financial Statements

1. Significant Accounting Policies

Company overview

Concord Drugs Limited (“the Company”) the company was incorporated on 24th April, 1995. The principal activity of the company is to manufacture licensed drugs based on the formulations approved. The company is Listed only in the India and operating from only one geographical location.

2. Basis of preparation of Financial Statements

These financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 (“the Act”) (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

a. Functional and presentation currency

The financial statements are presented in Indian Rupees (Rs.) which is also the company's functional currency and the amounts have been rounded off to lakhs with two decimal places, unless otherwise stated.

b. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make judgments, estimates and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in subsequent points starting from “c” below. Accounting estimates could change from Period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in

CONCORD DRUGS LIMITED

circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to the financial statements.

c. **Current and non-current classification:**

The company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current, when it satisfies any of the following criteria:

- It is expected to be realized or intended to sold or consumed in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is expected to be realized within twelve months after the reporting period, or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

A liability is current when it satisfies any of the following criteria:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Current liabilities include the current portion of non-current financial liabilities. All other liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

d. **Inventories**

Materials are valued at the lower of cost and estimated net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, reduced by the estimated costs of completion and costs to affect the sale.

CONCORD DRUGS LIMITED

e. Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of taxes and net of returns, trade allowances, rebates, Taxes and amounts collected on behalf of third parties.

The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Sale of Goods:

Revenue from sale of the goods are recognized when all the risks and rewards pertinent to the goods are transferred to the customer.

Interest Income:

Interest income is recognized as it accrues to the company using the effective interest rate method.

Dividend Income:

Dividend Income is recognized when the right to receive the dividend is established.

f. Property, plant and equipment

Freehold land is measured at historical cost at each reporting period. All other items of property, plant and equipment are stated at deemed value historical cost less accumulated depreciation and impairment losses, if any. On the transition to Ind AS the company has elected to measure at its historical cost as at 1st April 2016 and use that historical cost as its deemed cost on that date for property, plant and equipment. Historical cost includes expenditure that is directly attributable to the acquisition of the assets. The cost of the property, plant and equipment includes freight, installation cost, duties and nonrefundable taxes and other incidental expenses incurred during the acquisition, construction and installation of the respective assets. The company has not obtained the technical evaluation for recognizing the decommissioning cost of the property, plant and equipment installed.

Indirect expenditure including borrowing costs to the extent incidental to construction of property, plant and equipment incurred during the construction period will be allocated to the assets on commencement of

CONCORD DRUGS LIMITED

commercial of commercial production.

Cost of assets not ready for intended use as on the balance sheet date, is recognized as capital work-in-progress. Capital work in Progress comprises the direct expenditure on acquisition of property plant and equipment that are not yet ready for their intended use as at the balance sheet date. Other expenditure not relating to construction activity or incidental thereto is recognized in statement of profit and loss.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefit associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

If significant parts of an item of property plant and equipment have different useful lives, then they are accounted for as separate items (major components) of the said class of asset.

Depreciation

Depreciation is provided to write off the cost of property, plant and equipment over their estimated useful lives after taking into account their estimated residual value.

Depreciation is calculated using the written down value method to allocate their cost, net of their residual values, over their estimates useful lives. The depreciation methods, useful life and residual value, are viewed at each reporting date and adjusted prospectively.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e., from (up to) the date on which the assets is ready for use (disposed off). For the assets costing less than Rs.5,000, based on internal assessment and materiality the management has estimated that the same shall be depreciated in the year of purchase.

Gains and losses arising from derecognition of property plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

CONCORD DRUGS LIMITED

Derecognition:

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the profit and loss when the asset is derecognized.

Impairment:

At each reporting date, management reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognized as an expense immediately. The recoverable amount of an asset is the greater of its value in use and fair value less cost to sell. Value in use is based on the estimated future cash flows., discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

g. Employee benefits:

i) **Defined contribution plans:**The company pays provident fund contributions to publicly administered funds as per local regulations. The company is not regular in depositing the Provident fund amount. For details please refer point no-vii of the Annexure- A to the auditor's report.

ii) Defined benefit plan:

The company is required to provide for gratuity, defined benefit retirement plan covering eligible employees. However the company has not obtained Independent actuarial valuation to provide the liability in the books. The company has provided for the Gratuity liability on an Adhoc basis and hence the actuarial gains or loss is not recognized in the Other Comprehensive Income of the statement of profit and loss.

Further the company has not provided for the liability towards the Leave encashment of the employees.

h. Borrowingcosts:

Borrowingcosts are interest and other cost incurred in connection with the borrowing of funds. General and specific borrowing costs that are directlyattributabletotheacquisition,construction or production of a qualifying asset are capitalized during the period of time that is required

CONCORD DRUGS LIMITED

to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the year in which they are incurred.

i. Earnings per share:

Basic earnings per share is calculated by dividing the profit attributable to the equity shareholders of the company by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

j. Financial Instruments:

i. Recognition and initial measurement

Trade receivables are initially recognized when they are originated. Trade receivables are measured on initial recognition at the transaction price. All other financial assets and financial liabilities are initially recognized when the company becomes party to the contractual provisions of the instrument. Further the Working Capital loans, Trade receivables and Trade payables carrying values presented in the financial statements approximate their fair values.

ii. Classification and subsequent measurement:

Financial assets

On initial recognition, a financial asset is classified as measured at

- Amortized cost
- FVOCI – Debt investment
- FVTPL – equity investment

Financial assets are not reclassified subsequent to their initial recognition, except if and in the year the company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL

- The asset is held within business model whose objective is to hold assets to collect contractual cash flows; and

CONCORD DRUGS LIMITED

- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVTOCI if it meets both of the following conditions and is not designated as at FVTPL

- The asset is held within business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investments fair value in OCI (designated as FVOCI-equity investment). This election is made on an investment by investment basis.

Financial assets: Business Model assessment

The company makes an assessment of the objective of the business model in which a financial asset is held at portfolio level because this best reflects the way the business is managed and information is provided to the management. The information considered includes.

- how the performance of the portfolio is evaluated and reported to the Company's management
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about the future sales activity

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets. Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments for principal and interest.

For the purpose of this assessment, 'principal' is defined as the fair value of the financial assets on initial recognition. 'Interest' is defined as

CONCORD DRUGS LIMITED

consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- Contingent events that would change the amount or timing of cash flows;
- Terms that may adjust the contractual coupon rate, including variable interest rate features;
- Prepayment and extension features; and
- Terms that limit the Company's claim to cash flows from specified assets (e.g. on recourse features)

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract.

Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest and dividend income, are recognized in profit or loss

Financial assets at amortized cost:

These assets are measured at amortized cost using effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized

CONCORD DRUGS LIMITED

in profit or loss. Any gain or loss on derecognition is recognized in profit or loss

Debt investments at FVOCI:

These assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognized in profit or loss. Other net gains and losses are recognized in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.

Equity investments at FVOCI:

These assets are subsequently measured at fair value. Dividends are recognized as income in profit or loss unless the dividend clearly represents recovery of part of the cost of the investment. Other net gains and losses are recognized in OCI and are not reclassified to profit or loss.

iii. Derecognition

Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfer nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains all or substantially all of the risks and rewards of the transferred asset, the transferred assets are not derecognized.

Financial liabilities

The company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The company also derecognizes a financial liability when its terms are modified and its cash flows under the modified terms are substantially different. In this case, a new financial liability based on modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit or loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the company

CONCORD DRUGS LIMITED

currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

Impairment

The Company recognizes the loss allowances for:

- financial assets measured at amortized cost; and
- financial assets measured at FVOCI-debt investment

At each reporting date, the company assesses whether financial assets carried at amortized cost and debt securities at FVOCI are credit-impaired. A financial asset is 'credit impaired' when one or more events that have detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit –impaired includes the following observable data.

- Significant financial difficulty of the borrower or issuer,
- The restructuring of a loan or advance by the company on terms that the company would not consider otherwise;
- It is probable that the borrower will enter the bankruptcy or the financial reorganization; or
- The disappearance of an active market for a security because of financial difficulties

The company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following which are measured as 12 month expected credit losses.

- debt securities that are determined to have low credit risk at the reporting date; and
- Other debt securities and the bank balances for which credit risk (i.e., the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for the trade receivable are always measured at an amount equal to expected lifetime credit losses. Life-time expected credit losses are the credit losses that result from all possible default events over the expected life of a financial instrument.

CONCORD DRUGS LIMITED

Measurement and presentation of allowances for expected credit losses:

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e., the difference between the cash flows due to the company in accordance with the contract and the cash flows that the company expects to receive)

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets. For debt securities at FVOCI, the loss allowance is charged to profit or loss and recognized in OCI.

Write off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with company's procedures for recovery of amounts due.

k. IncomeTax

Income tax comprises current and deferred tax. It is recognized in the statement of profit and loss except to the extent that it relates to a business combination or to an item recognized directly in equity or in other comprehensive income.

Current Tax

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

Deferred Tax

Deferred income taxes is recognized, subject to the consideration of prudence on timing differences, being the difference between taxable

CONCORD DRUGS LIMITED

income and accounting income that originates in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Where the Company has carry forward of unabsorbed depreciation or tax losses deferred tax assets are recognized only if it is virtually certain backed by convincing evidence that such deferred tax assets can be realized against future taxable profits.

I. Cash Flow Statement:

i. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents comprise cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank over drafts. Bank over drafts are shown within borrowings in current liabilities in the balance sheet.

m. Measurement of earnings before interest, tax and depreciation (EBIDT)

As permitted by schedule III of the companies Act, 2013, the company has elected to present earnings before interest, tax and depreciation (EBIDT) as a separate line item on the face of the statement of profit and loss. The company measures EBIDT on the basis of profit/loss from continuing operations. In its measurement, the company has not included the depreciation expenses, finance cost, tax expense and other income.

n. Events occurring after the balance sheet date:

Impact of events occurring after the balance sheet date that provide additional information materially affecting the determination of the amounts relating to conditions existing at the balance sheet are adjusted to respective assets.

o. Contingent Liabilities and commitments :

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non- occurrence of one or more uncertain future events

CONCORD DRUGS LIMITED

not wholly within the control of the group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

An amount of Rs. 21.65 Lakhs is outstanding against capital advances given to various Vendors which are pending execution.

p. Critical estimates and judgments:

The preparation of financial statements requires the use of accounting estimates and the management needs to exercise judgment in applying the accounting estimates and policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.
